These configurations / sizes are provided as a guide. Canterbury can manufacture this product to suit most openings. Timber and aluminium flywire screens are available with this product. Lockable and non-lockable hardware is also available. Options are only available at time of ordering Please note: Some frames may require doors or sashes removed upon delivery and or onsite glazing depending on size

Counter Balance System

The Counter Balance window is effectively a vertical sliding window that offers a combination of the look of weights and cords and a modern Counter Balance system which utilises the weight of one sash to counter the weight of the other.

1 Standard 2 Colonial Bar 3 Colonial Bar 4 Heritage Bar 5 Federation Bar
Please note: Horns are available on top outside sash only

Our commitment to continual product development necessitates that sizes and specifications may change without notice.
